Sri S. M. KRISHNA.—You were pleased to say that the United Medical Council recognises our Medical Degree. But is it not a fact that the doctors who go there for higher studies will have to take an examination ?

Sri K. NAGAPPA ALVA.—They have to take that examination because here we are having only temporary recognition.

Sri S. SHIVAPPA.—Though the Medical Colleges in Mysore were started several decades back, how is it that our Medical Degrees are still given temporary recognition ?

Sri K. NAGAPPA ALVA.—It was only the Mysore Medical College which was started 30 years ago, but other Colleges were started 3 to 5 years back.
